

<b>Description</b>	<b>SECTION 1</b>
--------------------	------------------

**HOME OCCUPATION** means a secondary use of a Dwelling Unit and/or Accessory Building by at least one of the residents of the Dwelling to operate a gainful occupation or business activity.

A Home Occupation may not have: exterior open storage or display of goods, materials, or equipment; wholesale, sale or retail sale of goods; require external modifications to the Dwelling and does not require the floor area of the Dwelling to be increased; or include activities which are hazardous or cause a significant increase in traffic, noise, odor, dust, fumes, lighting or other nuisance or inconvenience to occupants of nearby residences. If your proposal includes any of these items, you can not be considered as a Home Occupation.

For more information please see Section 6.18 of the Envision St. John's Development Regulations.
